## **NEWINGTON JUNIOR 13/U SPRINT QUALIFYING MEET**

---

*Save the date! June 24th*

---

Join us at our home pool to race other independent schools in a competitive race day. This will be a great opportunity to try and target some race times! Throughout the day there will be race tips from experts and instructional feedback on races.

This is a great meet to attend if you have not raced before as we will be teaching our young swimmers all about marshalling, warming up, cooling down, and how to eat well throughout a race day.

There will be a sausage sizzle, coffee van, cake store, prizes and more. We will be asking our members to bake cakes for us, and volunteer time to run the cake stall and time keep.

*Stay tuned for more information.*
